

RFID LABELS

Dipole HANG

CUSTOMIZABLE
PRODUCT

Dipole HANG is a family of RFID hang tags, also known as cardboard tags, hang tags, or smart tags.

Dipole offers you RFID hang tags of various sizes and materials. These types of labels allow you to transmit brand identity to the consumer, and important information about the product at the same time.

RFID technology allows the label to be electronically read during the processes of production, logistics chain, storage and inventory, sale and post-sale

Benefits

- > Product tracking possibilities
- > Totally customizable
- > Easy to use and apply

Product Details

Dimensions

52 x 83 mm
45,72 x 76,2 mm

Materials

Cardboard

Temperature

-40 °C / +85 °C

IC Type

Impinj Monza R6P

Standards

ISO 18000-6C
Class 1 Generation 2
passive UHF

Frequency

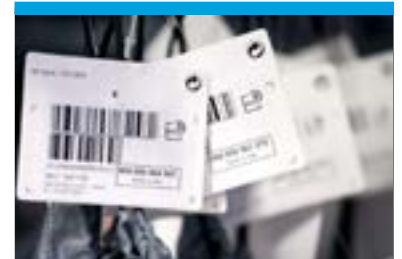

Global 860 - 960 MHz

Memory Configuration

128 bit EPC + 32 bits user

Read range

Up to 10 meters

Preferred Uses

You may use Dipole HANG for:

- > Clothing
- > Footwear
- > Complements
- > Home Textile
- > Toys
